Promotion Policy

To successfully complete and pass the course students

- must have an average of 50% or higher for the test and final assessment
- must successfully complete all assignments
- must have a passing average for the course

Labs are not mandatory. It means to pass the course you do not have to complete and submit the labs. If you miss a lab, there will not be makeup.

submissions or resubmissions but they need to complete the assignment successfully to pass the course. Students may not receive a mark for late assignment.

Test (Minimum one)	20%
Final Assessment	15%
Assignment (Minimum two)	50%
Labs	15%

Please install Oracle SQL Developer and get your login ID and password from Gradebook feedback.

1. Connection Name: Anything you want to call it: example: MyConnection or DBS311
2. User ID and Password: have been assigned to you by gradebook
3. Save Password: is optional, I would save it for class purposes, but in the real world, we would not save that information
4. Hostname: myoracle12c.senecacollege.ca
5. Port: 1521
6. Click the Service Name radio button and enter: oracle12c
7. Test the connect, if successful, click Save and then Connect
